Carrier connectivity, label generation, shipment routing, cost audits

CO-PILOT

Performance metrics setting, alerts, e-commerce business intelligence

Don't just buy software.
Get a partner for long-term
e-commerce success.

We can now enable our customers to monitor their supply chain operations and remedy immediate action to resolve issues that may arise. As a result, they'll benefit from more efficient operations, greater transparency and a better overall experience.

Pal Narayanan
EVP and Chief Information Officer
of GEODIS in Americas
